### Care & Maintenance of Your Room Dividers and Acoustical Partitions

To sustain the professional appearance of your room dividers and acoustical partitions spot cleaning may be required periodically. Listed in the graph are the manufacturer's recommended cleaning procedures by product material.

### General Cleaning Do's and Don'ts

1. Do clean often to avoid dirt build up
2. Do use recommended cleaning instructions
3. Do not use bleach unless directed to
4. Do not use harsh cleaning tools such as scouring pads or abrasive sponges

\*Manufacturer recommends to Avoid Alcohol, Ammonia or Acetone Based Products to avoid etching or clouding
